2. XTRA MEMBERSHIP

Xtra membership is a service that opens the door to a more rewarding and comfortable shopping experience at Kifli.hu. It is available in the following forms:

“**Xtra Membership**” a subscription-based service available as a paid monthly or annual plan. Xtra Membership members enjoy the full scope of Xtra benefits, including the free use of the Bags service.

“**Xtra Free Membership**” a benefit granted to selected customers through promotional campaigns, CRM programs, or other non-paid channels at the discretion of Kifli.hu. Xtra Free Membership members enjoy most Xtra benefits; however, the free use of the Bags service is not included in the free membership, and all orders must meet the applicable Minimum Order Value (see the minimum order value [here](#)).

“**Xtra Trial Membership**” a complimentary 30-day “Xtra Trial” period offered to customers to experience the Xtra membership service without commitment. Xtra Trial Membership members enjoy most Xtra benefits, including exclusive discounts, same-day delivery, and express deliveries; however, the free use of the Bags service is not included in the trial, and all orders must meet the applicable Minimum Order Value (see the minimum order value [here](#)).

2.1 Xtra Trial

To help you try Xtra membership without commitment and find out if it's right for you, we offer a 30-day free trial period.

How does the trial period work?

The Xtra Trial Membership is available to all registered customers who have not yet experienced the benefits of Xtra Trial Membership. During the trial, you can enjoy most Xtra benefits for free, with no payment required upfront; however, the free use of the Bags service is not included in the trial, and all orders must meet the applicable Minimum Order Value (see the minimum order value [here](#)). At checkout, you can choose whether your order will be delivered in paper bags for a flat fee, or in reusable bags upon payment of the applicable refundable deposit. The rules for delivering orders in bags are set out in the [Terms of Reusable Bag Service](#).

How to activate your Xtra Trial Membership

Just follow these simple steps:

- You have an active customer account that has not yet used the free Xtra Trial
- Log in via the dedicated Xtra membership page, select the membership type (monthly or yearly), and enter your card details
- Only an authorization charge will be made to verify your card – no funds will be withdrawn
- Once registration is successful, your 30-day free Xtra Trial Membership begins automatically
- If you cancel during the trial, you pay nothing (except any reusable bag deposit, if applicable), and you keep the available Xtra trial benefits until the trial period ends or until earlier termination of the benefits
- If you don't cancel, a fee will be charged automatically based on the selected Xtra Membership plan after the 30-day period ends

What happens after the Xtra Trial ends?

Once the 30-day Xtra Trial Membership is over, the service becomes a paid subscription under the Xtra Membership. Charges are applied automatically according to the plan you chose – until you cancel the membership.

2.2 Xtra Membership Plans

In case of Xtra Membership you can choose from two subscription options:

- **Monthly Xtra Membership** – with auto-renewal, a monthly billing cycle, and a price of HUF 2,799/month incl. VAT
- **Annual Xtra Membership** – with auto-renewal, an annual billing cycle, and a price of HUF 27,990/year incl. VAT

2.3 How to Activate Xtra Membership

- Simply log in to your customer account, go to the “Xtra Membership” section, choose your preferred plan, and complete the payment. Once the payment is successful, your benefits will be activated automatically and immediately.

Payment and Confirmation

After entering your details, you'll be redirected to a secure payment gateway to pay by card. If you're activating the Xtra Trial, only an authorization payment is processed – no funds are charged.

Once the service becomes paid, you'll receive a receipt in accordance with applicable laws. It will be available anytime in your order history in your customer profile.

Can activation be temporarily unavailable?

Yes – if there's a significant increase in demand that might impact the quality of provided benefits, Kifli.hu may temporarily suspend new activations. You'll be informed of any such limitations in advance.

3. CANCELLING XTRA MEMBERSHIP

You can cancel your Xtra membership at any time – without giving a reason – directly from your customer account.

If you cancel the service during the trial period, no charge will apply. You will retain access to the available Xtra trial benefits until the end of the 30-day trial period. After that, the service will automatically terminate.

If you cancel after the trial period has ended, you can still cancel at any time. In this case, you will continue to enjoy the Xtra benefits until the end of the current paid period, and the subscription will not be renewed.

The membership fee is non-refundable after the trial period, except where you exercise your legal right of withdrawal (see below). If you exercise this right within 14 days of the first charge, you will be refunded a proportional amount for the unused period.

How to cancel the service

- In writing: Kifli.hu Shop Kft., 1106 Budapest, Jászberényi út 45.
- By e-mail: info@kifli.hu
- By phone: 06 80 444 333
- Or directly in your customer account by disabling automatic renewal – in this case, the membership will automatically expire at the end of the current billing period

Cancelling the service before the end of the paid period does not entitle you to a refund (except as stated in the paragraph below).

4. WITHDRAWAL FROM THE CONTRACT

Changed your mind? No problem. You may withdraw from the Xtra Membership contract without giving a reason – within 14 days of its conclusion, i.e., from the date the membership was first charged.

How to withdraw

Let us know in one of the following ways:

- In writing: Kifli.hu Shop Kft., 1106 Budapest, Jászberényi út 45.
- By e-mail: info@kifli.hu
- By phone: 06 80 444 333

What happens next

Once we receive your withdrawal notice, we will refund the proportional portion of the paid amount without undue delay – and no later than 14 days.

By default, the refund will be issued as store credits to your customer account. These credits do not expire and can be used for future purchases at Kifli.hu.

If you prefer a different form of refund, just let us know – we'll return the amount via bank transfer to the account used for the original payment.

5. LIMITATIONS AND MISUSE OF XTRA MEMBERSHIP

Xtra benefits are personal, tied to a specific customer account, and non-transferable.

In cases of suspected misuse – for example, repeated registration to obtain multiple free Xtra Trial periods – Kifli.hu reserves the right to immediately terminate your membership without compensation and to block further benefit access.

To use Xtra membership, you must have an active customer account and a valid payment method.

In cases of obvious abuse of the complaint system (e.g., repeated excessive claims without valid reason), Kifli.hu reserves the right to limit or completely cancel this benefit – including the right to revoke credits granted based on complaints deemed inconsistent with the service's purpose.

6. LIABILITY AND WARRANTIES

We provide the Xtra Membership or Trial service with the utmost care and commitment to the highest possible quality. However, some circumstances are beyond our control, and the following limitations of liability apply:

We are not liable for:

- Actions of other customers or how they use the service or e-shop, or other circumstances on their side
- Damage caused by force majeure (e.g., natural disasters, pandemics, government actions)
- Technical outages (e.g., power failures, network issues)
- Suspension or limitation of the service due to extraordinary situations or temporary capacity shortages (e.g., caused by a health crisis or government measures)
- The content and operation of third-party advertising displayed on the Kifli.hu e-shop
- Unauthorized third-party interference with the e-shop system or misuse of it

Limited liability for third-party services

Kifli.hu is not responsible for the services or actions of third parties that are not part of its organization – whether payment providers, couriers, or other contractual partners. We are not liable for any faults or claims arising from their services.

7. FINAL PROVISIONS

Legal Framework

If the Xtra membership contract or any legal relationship connected to the use of the Kifli.hu e-shop contains an international element, it is governed by Hungarian law. This does not affect your statutory rights as a consumer under generally binding legal regulations. Any disputes shall be resolved by the competent court in Hungary.

Right to Discontinue and Restrict the Service

Kifli.hu reserves the right to discontinue the Xtra membership service or the sale of goods and services through the Kifli.hu e-shop at any time. Kifli.hu also reserves the right to temporarily suspend, in whole or in part, the sale of new Xtra Membership subscriptions at any time, without providing any justification. Such suspension does not affect the validity or performance of existing Xtra Membership subscription agreements.

Kifli.hu also reserves the right to temporarily restrict access to the Xtra Membership or Trial service for a few days before, during, and after peak periods – including, but not limited to, Easter, Pentecost, Christmas holidays, and other 3- or 4-day long weekends – or to temporarily suspend certain services. Such restrictions apply exclusively to the period associated with the given peak period and do not affect the normal operation of the service. Kifli.hu will always inform you in advance about the affected periods and the applicable restrictions.

Changes to the Terms

Kifli.hu may reasonably change or supplement the Xtra Membership Terms at any time. You will be informed in advance via email or other suitable means, allowing you to review the new version without unreasonable difficulty.

If you disagree with the changes, you have the right to terminate the contract with a one-month notice period, which begins the day after your notice is delivered to Kifli.hu.

Severability

If any provision of these Terms is found to be invalid or unenforceable, the validity and enforceability of the remaining provisions will not be affected. The invalid provision shall be replaced with one that most closely matches the original intent and purpose.
